Take Home Reflection:

The suffering of Christ should lead us toward humility and gratitude. What emotion does Christ’s sufferings produce in you? Spend some time reflecting on the cross, humbly thanking God for what he’s done.

Read Hebrews with a journal and reflect on all the ways that the author presents the New Covenant in Christ being BETTER than the Old Covenant.

In Christ we are given a phenomenal opportunity: to daily receive God’s grace. How are you tempted to think that you can connect with God through works? Take time to pray, asking God to change your attitude to one that receives God’s grace and unconditional love.
